In response to a request from the Alaska Eskimo Whaling Commission to extend the deadline, EPA is extending the comment period deadline to close on September 30, 2014.

Comments may be submitted to EPA at any time during this extension period, but must be received or post-marked no later than midnight Pacific Standard Time on September 30, 2014. All comments must include the name, address (or email address), and telephone numbers of the commenters.
